I. SETTING

Medical Center

II. PURPOSE

This section outlines the policy for prioritization of parking assignments at UC Davis Medical Center (UCDMC).

III. GENERAL INFORMATION

A. In an effort to fulfill the mission of Parking Services, Parking Leadership reviews and assigns the type and availability of parking based on the needs of the operation or services offered at a specific or adjacent site.

B. UCDMC Parking Services is responsible for reviewing parking needs and recommending suitable fees, parking regulations, and updates.

IV. POLICY

A. Parking Services is responsible for enforcement of the California Vehicle Code and the UCD Traffic and Parking Code. Reference copies of the UCD Traffic and Parking Code are available at the Parking Services Office located at the Facilities Support Services Building, Suite 1100 or on the web at http://taps.ucdavis.edu.

B. University of California Davis, Medical Center (UCDMC) administers parking assignments based on designation of parking facilities and the needs of the operation. Requests for special parking are reviewed by the Parking Services Office.

C. UCDMC has developed the following parking assignment priorities:

1. Disabled persons and emergency vehicles.

2. Patients and visitors.

3. Individuals whose professional responsibilities regularly require close-in parking in response to life-safety emergencies.

4. All other employees.

5. Hospital volunteers.

6. UCD students.

7. Vendors and service representatives.

D.   Faculty staff, and students that park in visitor stalls at buildings of which they are not assigned are expected to pay the daily parking fee. Employees parking in visitor stalls at buildings in which they are assigned is not permitted and may be subject to a parking citation.

E.   Suggestions for the improvement of Parking Services may be made in writing and directed to the Parking Services Manager.
